ESM 3.2 "Importer Processes Died" Warning

While running ESM 3.2 with exacqVision 6.8 servers connected, ESM importer log files could contain warnings stating that "Importer processes died." If this occurs, upgrade to the following version (or later):

https://exacq.com/evESM/exacqVisionEnterpriseSystemManager-3.2.4.77534.exe

https://exacq.com/evESM/exacqVisionEnterpriseSystemManager-3.2.4.77534.deb
